Permanent Tee Time Policies

- Permanent tee time foursomes are expected to play at their assigned starting time, rain or shine, unless the course is closed by the head professional or superintendent.
- In the event that management closes the course due to inclement weather, foursomes will be issued rain checks for valid for one round of weekend golf per person. These rain checks may be redeemed on any day of the remaining golf season, provided a tee time is available. No credits will be issued for the following season.
- Under no circumstances will a cash refund be granted.
- Any participant of a perm-tee time who does not play in a particular week (even with advance notice) is not eligible for a rain check, refund, or alternate means of golf. Weekend Perm times will be treated like season tickets for a sporting event. If the course is open for play and you as a perm tee-time holder cannot make it; you may pass your spot onto anyone you choose, but cannot expect any type of refund or rain check from the pro shop.
- Each foursome is expected to maintain pace of play as posted. Tee times beginning before 8:00am are required to finish in four hours, after an 8:00am start a finish time of 4 hours and 15 minutes is required.
- Foursomes who do not continually keep pace may lose their permanent tee time spot or be asked to move to a later time.
- Foursomes must report to the pro shop 15 minutes before their scheduled tee off time. Failure to report on time will allow the Glencoe Golf Club to consider you as a “no show” and your time will be skipped.
- Groups that miss their time due to weather may not tee off in their original queue and will be put at the first available open spot.
